

Epping & Ongar Railway on *Saturday 28th July*

Travel by train from Bedford to Farringdon, and then by London Underground connections through to Epping. Here a heritage bus will take members to North Weald for an afternoon on the steam and diesel preserved line.

See <http://www.eorailway.co.uk> for more information on this lovely railway, recently restored to run through the Essex countryside.

The fare from Bedford Midland including heritage bus and train travel will be £28 for adults and £15 for children.

For members with a Travelcard season ticket to London All Zones, the Epping Ongar bus / railway fare will be just £12.70 for adults.

If travelling on the Bletchley line to reach Bedford you will need to pay that fare separately on the day.

Bookings for the trip close on 2nd July.

To book please contact email Richard Butler - richard.butler400@btinternet.com
